

## The social network for young fundraising professionals.

*"My friends have jobs. I have a career. I go to work every day knowing I'm making a difference. And now I'm taking my career to the next level, as a young professional with AFP."*

—Natalie D. Gupton, Development Coordinator,  
Norton Healthcare—Children's Hospital Foundation

To learn more about membership for young professionals like you, visit [www.afpnet.org/youngprofessionals](http://www.afpnet.org/youngprofessionals)

As a young fundraiser, you're making a difference. Now, make a difference in your career.

There aren't many jobs you can go to every day feeling good about the difference you're making. As a fundraiser, you get to do what you love ... and make an impact on the world.

But fundraising is about more than passion. It's about skills. It's about connections. It's about learning from other young professionals, as well as seasoned vets, to help your organization—and your career.

At the Association of Fundraising Professionals, we understand that young professionals (age 30 and under) like you have a lot to offer. That's why we're giving you the opportunity to meet others who do what you do, to learn and network, to develop your skills and to gain a career advantage that helps you stand apart—for just \$75 a year.

AFP membership. The best investment you ever made: your future.
